SUPPLEMENT TO  
REPORT NO.

1. It is reported that Hungarian troops are being realigned for a surprise action against Yugoslavia. An international brigade is alleged to be located at the Yugoslav-Hungarian frontier near the confluence of the Mura and Drava. The first armored division and the second motorized division are located behind the international brigade. Their objective would be Zagreb, Fiume, and Trieste, to cut off Yugoslavia from the west. Other divisions at Pécs, Kecskemét, and Szeged are allegedly moving to the Baja-Mako line. Their ultimate objective would be Belgrade, across the Bacska and Banat plains, where their movements would be coordinated with Rumanian troop movements.
2. Russian troops will not take part in the action but will back up the Hungarian troops. The headquarters of the Russian troops has been moved from Sírbovárd and Bugac (sic) in Hungary to Szatmarnemeti in Rumania. A recent flow of material to the Yugoslav border is considered in harmony with the above plans.

25X1X<sub>3</sub>. [REDACTED] indicates that frequent reports have appeared in the Hungarian exile press containing information similar to the above. He adds that stores at Győr, Magyaróvár, Kőszeg, Sopron, Zalaegerszeg, Szombathely, Kőrönd, and Nagykanizsa are being decentralized. He also states that reservists up to the age of 45 are being called up. In order not to alarm the population, call-ups are being staggered.
